NATIONAL WORKSHOP

ON

RESEARCH METHODOLOGY

November 18-24, 2023

Organized by:

GOVIND GURU TRIBAL UNIVERSITY

BANSWARA – 327001 (RAJASTHAN)

Dear Researcher,

It gives me immense pleasure to inform you that the Govind Guru Tribal University, Banswara is organizing a Seven Days National Workshop on RESEARCH METHODOLOGY during the month of November 18-24, 2023.

First-time researchers starting research in social sciences, particularly when studying at post graduate level, often find research methodology a rather amorphous subject. There is a very extensive literature available but the variety of strategies, approaches, methods, terminologies and techniques, and the absence of a standard nomenclature present a daunting task for a first-time researcher. In this workshop, the aim is firstly to provide a brief overview of the principal terminology likely to be encountered in research literature. We shall try to stress those aspects

TECHNICAL SESSION AND TOPICS

This Workshop will have following topics which will be conceptually inter-related, discursive and highly interactive.

Following topic will be covering:

- Conceptual Framework of Research and Review Literature
- Research Process, Research Problem and Research Design
- Methods of Data Collection
- Measurement and Scaling Techniques
- Selecting Established Tools for Data Analysis
- Formulation and Testing of Hypothesis
- Research Report
- Preparation of Synopsis
- Footnote, Reference and Bibliography
- Discussion on General Issues of Research Methodology.

that seem to us to be the most important. The second aim is to present a simple model of research methodology that distinguishes between strategies, methods and different types of data. We hope that this model will provide not only a useful structure for the remainder of the workshop, but also a readily grasped perspective of research methodology. The third aim is to emphasize the importance of the methodology of handling research data, a topic often given short shrift in, and sometimes omitted from, workshop on research methods. This workshop would be attended by a large number of academicians, researchers as well as professionals from various University / Institute / Colleges.

Banswara

Banswara is the main district of Banswara Zone of the Wagwar region in Southern Rajasthan, covered with the greenery of Aravali and anointed with the divine blessings of Maa Mahi, the 'Wagwar Ganga'. The predominance of tribal culture is not only the way of life but is unique in its speciality in the entire region. Under the leadership of the revered Govind Guru, the story of struggle and sacrifice on the Mangarh hill is indelible in history, even today it is a strong source of inspiration for the era's prosperity and

OUR UNIVERSITY

Govind Guru Tribal University, Banswara Formerly known as Rajiv Gandhi Tribal, University Udaipur is established in 2012 and renamed and the headquarter moved to Banswara in 2016. Banswara, Dungarpur and Pratapgrah districts of Southern Rajasthan are in its jurisdiction. This state university was established by an Act in 2012 and (Change of Name and Headquarter, and Amendment) Act, 2016. At the time of its establishment, the temporary headquarter of the university was at Udaipur. After the headquarter change, the campus was in a rented Building "Janjati Bhavan"

pride for the country and patriotism. The presiding deity of Shakti, "Maa Tripura Sundari" Shaktipeeth, inspires Shakti devotion to the entire region. Mahi River and Mahi Dam provide eternal greenery and numerous horizons of development to 'Wagwar Vasudha' and are the symbols of Bhagirathi here. Its geo-cultural status the borders of Rajasthan, Gujarat and Madhya Pradesh gives its cultural speciality a unique form.

in Banswara Collectorate Campus. Presently the university's campus is in the Village of Badavi Banswara. The university aims to impart higher education, research, innovations, and development. It also aims at creating new knowledge, sharpening vocational skills, and developing appropriate attitudes among the promising young generation for the reconstruction of society based on the highly cherished ideals of functional democracy. The university is committed to providing quality-oriented – meaningful Higher education to the youth for their present academic needs and their bright future

REGISTRATION

There are limited seats in the workshop, hence to participate, it is mandatory to fill the online registration form available on the university website (www.ggtu.ac.in) by November 6th, 2023. Applicants will be selected on the basis of preference and as per rules, the prescribed registration fee of Rs 500 will be charged from the selected candidates.
