**Subject: Inclusion of Student Column in the University News**

**Dear Vice Chancellor/Director,**  
Greetings from AIU !

I am happy to inform you that the University News has entered its nonagenarian decade this year. It was launched in 1929 to disseminate the information about happenings in the field of higher education. Now, it is one of the most sought after Journals in the field of higher education not only in India but other countries also. It has carved a niche for itself as one among the very few journals in regularity of appearance and richness of contents. It is a premier forum for academics, leaders, teachers, policy maker, managers, administrators and stakeholders interested in different facets of higher education to publish their articles, write-ups & viewpoints. Being a high standard Journal containing opinion-based and concept based articles, so far it has been covering the articles submitted by the vice chancellors, academics and senior administrative officers.

Now, in a move to widen the scope of the University News and to reach out to the most important stakeholders of higher education system, i.e. the students, we are initiating an exclusive Student Column to publish their articles, write-ups and viewpoints in the area of higher education.

We are enclosing an announcement which you may upload in your University Website and also disseminate it in all possible ways including social media so that the students of your university and affiliated colleges interested in contribute articles on higher education may come forward to write for the University News. The articles however, need to meet the terms and conditions of the University News and will be published subject to the approval of the Editorial Committee.

Your cooperation in this effort will benefit your students in voicing their opinion on issues of national importance.

Looking forward to your cooperation.

With Regards,

Yours Sincerely,

(Dr. (Ms) Pankaj Mittal)
